Since the law requires that parental permission be obtained for most medical procedures on minors, I wish to give permission for medical staff to perform such diagnostic, therapeutic, and surgical procedures as they deem necessary for the above minor. I understand that my consent will allow procedures to be promptly carried out so that no unnecessary delays will occur with treatment. No surgical procedures will be performed, except in extreme circumstances, without parents or guardians being contacted and fully informed and their verbal consent obtained.

Signature of Parent/Guardian _____ Date _____
